Company Identity & Legal Foundation

ISN Free WiFi (Pty) Ltd provides **scalable captive portal solutions** that help transport companies, ISPs, malls, and retail centers deliver secure, monetizable internet access. Our platform enables organizations to offer free WiFi while generating revenue through advertising, vouchers, and data plans — all managed with flexible concurrent device limits.

We specialize in **regulatory compliance (PAIA/POPIA)**, **cloud infrastructure planning**, and **custom voucher systems**, ensuring that every deployment is secure, reliable, and tailored to business needs. Whether connecting passengers on long-distance coaches, shoppers in retail malls, or communities through ISPs, ISN Free WiFi empowers organizations to turn connectivity into opportunity.

The company was formally registered on **25 October 2025** and operates under the enterprise number **K2025837869**. Its legal identity is anchored in a broader coalition-grade mission: to model scalable, transparent infrastructure that empowers youth, fosters digital inclusion, and supports ethical public access.

ISN FREE WIFI is committed to governance, compliance with national regulations, and the ritualization of every legal milestone into teachable onboarding arcs for youth empowerment.
